To: The Honorable Kim Janey, Mayor  
Chris Osgood, Chief of Staff

From: Henry C. Luthin, Corporation Counsel

Re: Internal Affairs File of Police Officer Patrick Rose, Sr.

Date: April 20, 2021

---

You have asked the Law Department to review and redact the Internal Affairs file of former Boston Police Officer Patrick Rose, Sr. concerning allegations of sexual assault on a minor in 1995. The review focuses on the way the Department handled the matter at that time. Documents related to the identity of the victim or witnesses have been withheld or redacted. Attached are those documents that relate to how the results of this investigation were handled.

A review of the file shows that the Internal Affairs Division (IAD) investigated this matter and concluded in 1996 that the IAD complaint against Officer Rose was sustained. This information was sent in memo form to the Commissioner, Officer Rose's District Commander, and Officer Rose. Officer Rose had been relieved of his weapon and placed on administrative duty. In October of 1997, the attorney of the Boston Police Patrolmen's Association wrote to the Commissioner informing him that the BPPA was considering filing a grievance concerning Officer Rose's continued restriction to administrative duty; Rose was returned to full duty.

While those documents related to the actions above are attached, much of the Internal Affairs (IA) file consists of the investigation conducted by Internal Affairs into the allegations of sexual assault. Massachusetts General Laws Chapter 40, Section 97D requires that all complaints of sexual assault and all interviews with victims be kept confidential. It is important to protect the identities of victims of sexual assault, as well as the identities of those who had the courage to report the assault to the authorities. The trust these people showed in the system must be repaid. Not to do so would be to discourage others from coming forward.

RE: Patrol Officer Patrick M. Rose -- Information Request

Dear Commissioner Evans:

This letter is written on behalf of the Boston Police Patrolmen's Association, which represents Officer Patrick M. Rose, ID # 11126.

For approximately two years, Officer Rose has been assigned to administrative duty, denied his firearm; not permitted to work paid details or street duty (thereby depriving him of court overtime) and received only limited station overtime.

The BPPA is considering whether to file a grievance over this issue. In order to properly assess the merits of such a grievance, I am requesting certain information. The Labor Relations Commission has held that an employer must supply a collective bargaining agent with information that is reasonably relevant and necessary to it in the fulfillment of its representational function. Whittier Regional School Committee, 19 MLC 1183, 1185 (1992). Please therefore supply me with the following information:

1. Any documents pertaining to, relevant to, or bearing upon Officer Rose's assignment to administrative duty.
2. Any documents pertaining to, relevant to, or bearing upon any discipline or investigation of Officer Rose over any matter(s) which have affected his assignment to administrative duty.

3. The reason that Officer Rose has been reassigned from full duty.

Because of the financial hardship visited upon Officer Rose by his present assignment, I must ask that your response to this information request be received no later than Wednesday, October 29. If this does not give you sufficient time for a response, please let me know what progress is being made and we can then discuss a mutually agreeable timetable.

Thank you in advance for your anticipated cooperation.

Very truly yours,

Alan H. Shapiro
